

ACADEMY OF FINANCIAL MANAGEMENT

Improving Public Financing Institutions of Sustainable Development: European Context

Tetiana Iefymenko

prof., D.Sc. (Econ.),

*President of the Academy of Financial
Management, Full Member of the
National Academy of Sciences of Ukraine*

THE EUROPEAN CONTEXT OF SDGS IMPLEMENTATION

2030 AGENDA

FOR SUSTAINABLE DEVELOPMENT

SUSTAINABLE DEVELOPMENT GOALS

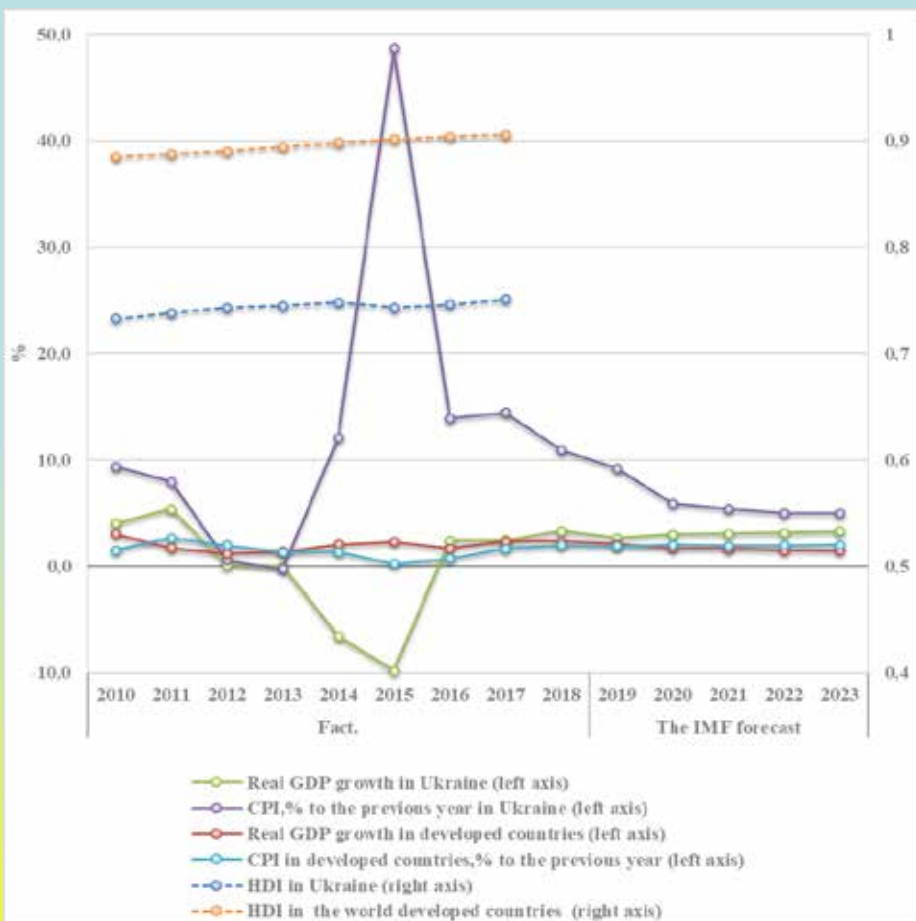

Joint statement by the Council and the representatives of the governments of the EU Member States meeting within the Council, the European Parliament and the Commission, *Brussels, on 7 June 2017*

The European Consensus on Development

REAL GDP GROWTH, HUMAN DEVELOPMENT INDEX (HDI) AND CONSUMER PRICE INDEX (CPI) FOR 2010-2023

Ukraine and World Developed Countries

Ukraine and European Emerging Markets

UKRAINE. SUSTAINABLE DEVELOPMENT GOALS

Priorities

- No poverty
- Good health and well-being
- Quality education
- Decent work and economic growth
- Industry innovation and infrastructure
- Sustainable cities and communities
- Peace Justice and strong institutions

Art 36. The EU and its Member States will work to promote:

- Progressive taxation and redistributive public policies
- Better sharing the benefits of growth
- Creation of wealth and decent jobs
- Improved access to factors of production - land, finance and human capital

2018	(Indicator/ rating)
Gini Index	25,0
Human development index (HDI)	0,751 / 88
The Global Competitiveness Index (5th pillar: Higher education and training)	5,1 / 35
Doing business Index	65,75 / 76
Global Innovation Index	38,52 / 35

PUBLIC FINANCE MANAGEMENT

Ukraine's cooperation with the EU and the IMF

EU-Ukraine Association Agreement (Articles 346, 347)

Public finance management:

- Should be based on international standards
- Is aimed at providing a reliable internal control and external audit
- Should comply with the principles of accountability, transparency, economy, efficiency and effectiveness

Introduction of best practices related to:

- Development of medium-term budget planning
- Improvement of the program-target method
- Enhancing budget programs effectiveness, their targeting SDGs

Memorandum Ukraine – IMF (2018)

- Introduction of wider fiscal reforms aimed at economic growth
- Medium-term budget planning
- Further fiscal consolidation to ensure debt sustainability in the medium term
- Reforming the sector of large state-owned enterprises
- Support of a flexible exchange rate and tight monetary position
- Fight against corruption

THE AVERAGE DEBT LEVEL OF THE GENERAL GOVERNMENT SECTOR IN THE EU AND UKRAINE *, % OF GDP

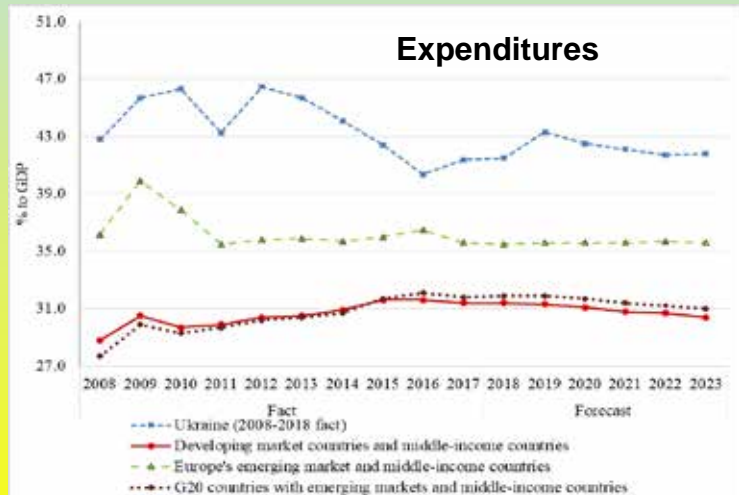

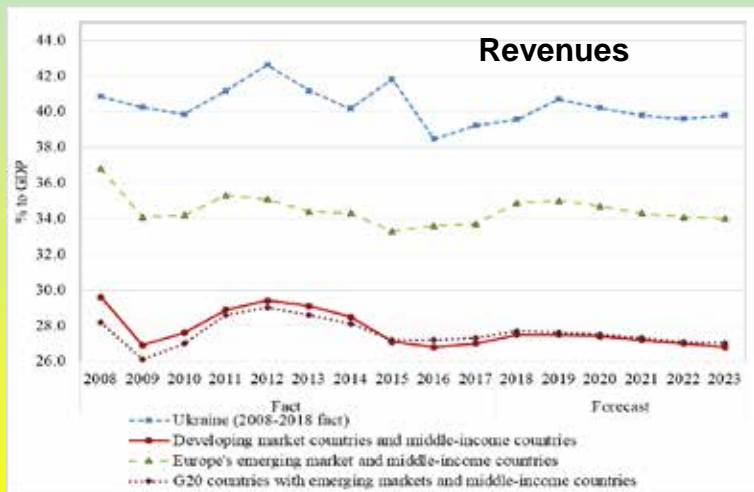

*Average debt level for year 2000-2017 (2000-2018 for Ukraine)

* The average level of the debt for 2000-2017 (for Ukraine 2000-2018)

DEBT, REVENUES AND EXPENDITURES OF THE GG SECTOR OF UKRAINE, % OF GDP

Total debt

THE EU AND ITS MEMBER STATES WILL STRENGTHEN THEIR PARTNERSHIP WITH:

- The United Nations
- The International Monetary Fund
- The World Bank Group
- Regional development banks
- G7, G20, the OECD
- Other regional and multilateral institutions

Stronger engagement of the private sector will be needed, using innovative financial instruments to help attract more private finance for sustainable development

(including energy, transport and water infrastructure, support for small and medium enterprises, social sectors and environment)

IMPROVING FINANCIAL SECTOR POLICY OF THE NATIONAL ECONOMY

EU-Ukraine - Association Agreement:

cooperation in the area of financial services (Title V, Chapter 12)

Ukraine's cooperation with the IMF:

- Further financial rehabilitation of the banking system
- Regulation of transactions with related parties
- Supervision and regulation

- Fourth EU Directive 2015/849 of the European Parliament and Council of 20 May 2015 "On the prevention of the use of the financial system for money laundering and terrorist financing"
- EU Regulation 2015/847 of the European Parliament and Council of 20 May 2015 "On information accompanying remittances"
- Standards of the Financial Action Task Force on Money Laundering (FATF)

Draft Law on Prevention and Counteraction of the Legalization (Laundering) of the Proceeds of Crime, Terrorist Financing and Financing the Proliferation of Weapons of Mass Destruction of December 19, 2018, No. 9417

Risk-oriented approach to combating money laundering

STRUCTURE OF THE BANKING SECTOR BY THE KEY MARKETS AS OF 01.01.2019

1. 77 banks, including 37 with foreign capital and 22 affiliated branches with 100% foreign capital **have licenses and carry out transactions**

2. Foreign banks in Ukraine are represented by affiliated branches of Austrian, French, Italian, German, Swedish, Polish, Greek, Cypriot, Hungarian, Dutch, American, Turkish, Kazakh, Russian banks

3. After the crisis of 2014-2015, the regulator **withdrew from the market 90 banks** mainly with domestic capital (54% of the number of legal entities)

4. Over 2018, the **banking system** for the first time after 4 years of loss-making activity **received a profit of 21.7 billion UAH**

Share of state, foreign and local private banks by the key markets (%)

RECOVERY AFTER THE CRISIS: THE COMPARISON OF BANCO POPULAR (SPAIN) AND PRIVATBANK

• SIMILAR FEATURES:

1. System banking crisis
2. Systemically important banks (national scale)
3. Funds withdrawn by depositors
4. Bail-in of creditors and litigation related to bail-in
5. No objection to External resolution

• PRINCIPAL DIFFERENCES:

1. Cause of default
2. Decision-making speed
3. Cascade of defaults (bank borrowers)
4. Handling problem assets
5. State budget expenditures
6. Re-privatization
7. Repercussions

PRIVATBANK: an increase in government debt due to emission of T-bills of 155.3 billion (\$ 6 billion) + future interest payments of 184 billion (\$ 12 billion)

HARMONIZATION OF UKRAINIAN TAX LEGISLATION WITH THE EU NORMS:

Conceptual framework for tax policy coordination in the EU

- Economic and monetary union and harmonization of national and fiscal policies
- Compliance of EU directives and treaties on taxation with the main principles of inclusive growth policy
- Coordination of taxation with the main principles of the market economy development; transfer pricing regulation
- Support of the competitiveness of EU economic agents in the world
- Stability, predictability, effective administration

EU-Ukraine Association Agreement: Cooperation in the area of taxation (art. 349-355)

- Fiscal management on the principles of transparency, information exchange, fair tax competition
- Improvement and development of the tax system and tax authorities of Ukraine (enhancement of collection and control capacities with emphasis on VAT refund procedures, tax fraud control, tax evasion)
- Exchange of experience and harmonization of policies to combat tax fraud
- Gradual approximation to the tax structure defined in the EU acquis

UKRAINE JOINED THE OECD INITIATIVE – ACTION PLAN ON BASE EROSION AND PROFIT SHIFTING (BEPS)

OECD

Ukraine

Four mandatory steps are proposed:

Step 5 "Improvement of Tax Abuse Measures"

Step 6: Prevention of Abuse of Privileges Under the Bilateral Agreements

Step 14 "Improving the Mutual Coordination Procedure through Dispute Resolution"

Step 13 "Recommendations on Transfer Pricing Documentation and Country Disclosure"

Amendments to the Tax Code of Ukraine (Draft Law "On Amendments to the Tax Code of Ukraine for the Implementation of the BEPS Plan")

Transfer pricing documentation (TP) and Country-by-Country Reporting

In Ukraine the requirements for submission of transfer pricing documentation and the report on controlled transactions are regulated by the Tax Code of Ukraine (version of the Law dated November 23, 2018, No. 2628-VIII)

Levels of reporting: global, national, simplified, country-by-country reporting

MONITORING SDGS IMPLEMENTATION

Indicators for monitoring the implementation of SDG:

- Ecology (goals 6, 7, 13, 14, 15)
- Social welfare (goals 1,2,3,4,5,10,16)
- Economic growth (goals 8, 11, 12)
- Industry development (goal 9)
- Partnership (goal 17)

Information support - non-financial reporting of entities

Public sector

Requires institutional prerequisites of the implementation, namely:

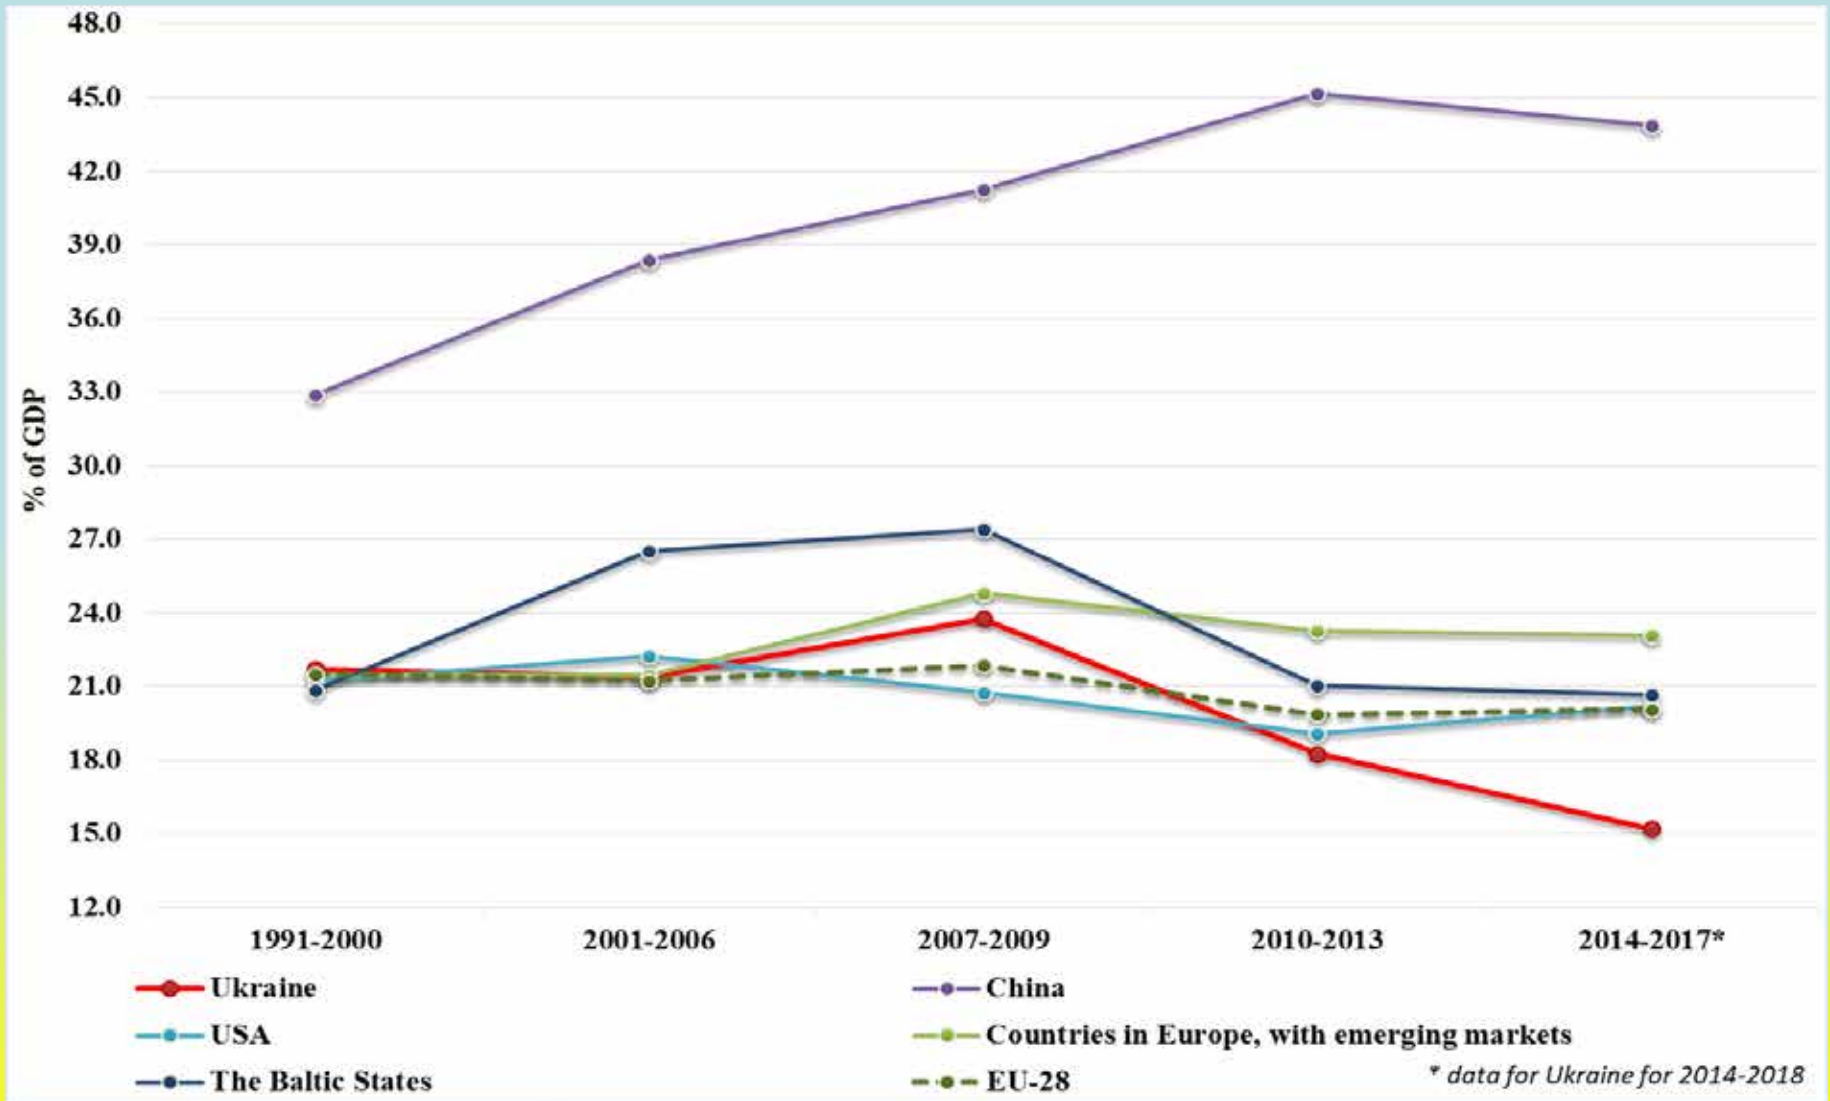

- Amendments to the budget legislation of Ukraine
- Updating the list of effective indicators of budget programs
- Designing the non-financial reporting standards for budgetary institutions

Corporate sector

Introduced:

- Implemented the EU legislative requirements to the national legislation of Ukraine
- Developed methodological support for the preparation of non-financial reporting, including Sustainability Reporting
- Fulfillment of obligations regarding the agreement on the implementation of the action plan to combat the blurring of the tax base and withdrawal of profits from taxation (BEPS, Base Erosion and Profit Shifting)

INDICATOR OF THE SHARE OF GROSS FIXED CAPITAL FORMATION, % OF GDP (AVERAGE FOR THE PERIOD)

GEOGRAPHIC STRUCTURE OF FOREIGN TRADE IN GOODS OF UKRAINE

Export of goods

Import of goods

GDP PER CAPITA BY PURCHASING POWER PARITY (PPP, AT CONSTANT PRICES, THS. INTERNATIONAL DOLLARS)

QUESTION 1

WHAT DID YOUR STATE DO WITH THE «**TOXIC**» CREDIT PORTFOLIO OF **SYSTEMICALLY IMPORTANT BANKS** DURING THE FINANCIAL CRISIS?

- A. Toxic assets were acquired by a state-owned asset management company
- B. Toxic assets were written off
- C. Problem loans were restructured
- D. Toxic assets were sold at a discount on the market
